Re: Kialegee Gaming Ordinance

Dear Mr. Grellner:

This is in response to your request, dated March 3, 2009, for review and approval of the Kialegee Tribal Town Gaming Ordinance, adopted pursuant to Resolution TR-2007-36 on November 20, 2007. The gaming ordinance is consistent with the Indian Gaming Regulatory Act (IGRA) and National Indian Gaming Commission (NIGC) regulations. Therefore, it is hereby approved.

For clarity of the record, I would like to make note of two important points. First, IGRA and the Tribe's gaming ordinance allow Indian gaming activities to take place only on Indian lands, and then only where not prohibited by IGRA's after-acquired lands provisions. My approval of the gaming ordinance does not constitute a determination that the Kialegee Tribal Town possesses or has jurisdiction over any Indian lands eligible for gaming. Such site-specific issues will be addressed when the Tribe submits a notice under the NIGC's new facility license regulations, which is required before the Tribe opens any Indian gaming facility. 25 C.F.R. Part 559.

Second, the Tribe's gaming ordinance authorizes the play of both Class II and Class III games. However, IGRA requires any tribe wishing to play Class III games to obtain approval by the Secretary of the Interior of a tribal-state compact. The Tribe and the State of Oklahoma have signed a tribal-state compact, but my understanding is that the compact has not been approved by the Secretary of the Interior. Therefore, my approval of this gaming ordinance does not suggest that the Tribe may presently conduct Class III gaming. To the contrary, unless and until the Secretary of the Interior approves a Class III compact for the Tribe, Class III gaming is prohibited.

Thank you for the Tribe's submission. The NIGC looks forward to working with the Tribe on its gaming endeavors.

Sincerely,

Philip N. Hegen
Chairman

The Tribal Business Committee shall require a criminal history check with appropriate law enforcement agencies and shall review this criminal history report and make an appropriate suitability determination before appointing an individual to a position as a Tribal Gaming Commissioner.

(j) The independence of the Tribal Gaming Commission is essential to a well-regulated gaming operation. For that reason, Commissioners may only be removed from office by the Kialegee Tribal Town Tribal Business Committee prior to the expiration of their respective terms for neglect of duty, misconduct, malfeasance, or other acts that would render a commissioner unqualified for his/her position. Any allegations of neglect of duty, misconduct, malfeasance, or other acts that would render him or her unqualified for his/her position must be substantiated by a preponderance of the evidence. Commissioners will be given an opportunity to provide evidence rebutting the grounds for their proposed removal before the removal is considered. A vote of the Kialegee Tribal Town Tribal Business Committee on the validity of the removal shall be final and not subject to further appeal. A wrongful removal shall entitle the affected Commissioner to compensation for expenses incurred in an appeal and any pay withheld.
