Dear Chairperson Spurr:

This letter responds to your request to review and approve the tribal gaming ordinance, Huron Potawatomi Gaming Ordinance Title V of the Tribal Code of Justice, adopted on June 15, 2000, by the Nottawaseppi Huron Band of Potawatomi. This letter constitutes approval of your submission under the Indian Gaming Regulatory Act (IGRA). Such approval does not constitute approval of specified games. It is important to note that the gaming ordinance is approved for gaming only on Indian lands as defined in the IGRA, over which the Tribe exercises jurisdiction.

With the Chairman's approval of the Tribe's gaming ordinance, the Tribe is now required to conduct background investigations on its key employees and primary management officials. The NIGC expects to receive a completed application for each key employee and primary management official, pursuant to 25 C.F.R. § 556.5(a), and an investigative report on each background investigation before the Tribe issues a license to a key employee or primary management official, pursuant to 25 C.F.R. §556.5(b).

Thank you for submitting the ordinance of the Tribe for review and approval. The NIGC staff and I look forward to working with you and the Tribe in implementing the IGRA.

Sincerely yours,

Montie R. Deer

**TITLE V, LICENSING AND REGULATION OF BINGO AND
OTHER GAMES OF CHANCE**

Chapter 1: Findings

MAY 19 2000

Section 101 The Council finds:

(a) That operation of bingo and other games of chance by the Band and Band subdivisions is a valid means of promoting economic development and the health and welfare of Band members;

Cabazon Band of Mission Indians, 94 L.Ed.2d 244 (1987), Indian tribes have the exclusive right to regulate gaming activity on Indian lands if the activity is not specifically prohibited by federal law and is conducted within a state which does not criminally prohibit the activity;

(c) That the United States Congress has enacted the Indian Gaming Regulatory Act, 25 U.S.C. § 2701 et seq., providing for certain federal regulation of Indian gaming;

(b) The Commission shall review all license applications and determine whether the application is complete and in compliance with the Ordinance, and whether such license should be issued, and shall further determine if any license so issued shall be revoked, suspended or renewed, as appropriate;

(c) The Commission shall collect any fees required to be paid under this Ordinance. Such fees shall become Band gaming revenues, shall be subject to Band financial policies and procedures, and shall be disbursed as directed by the Council;

(d) The Commission may bring any civil action or criminal complaint in any court of competent jurisdiction to enforce the provisions of this Ordinance or to enjoin or otherwise prevent any violation of this Ordinance, the Act, or the Michigan Compact, occurring or threatened to occur;

(e) The Commission shall propose an annual operating budget which shall be subject to review and approval of the Huron Band of Potawatomi Council. (f) The Commission shall, subject to review and approval by the Council, promulgate such regulations as it deems necessary in order to implement and enforce the provisions of this Ordinance.

granddaughter or first cousin has invested in, has a direct or indirect financial interest in, has a management contract in, or has any other pecuniary interest whatever in gaming operated under this Ordinance. Membership in the Band does not, in itself, create a “financial stake in any gaming operated under this Ordinance.” Employment at a tribally licensed gaming facility, other than as a primary management official, by a person’s spouse, brother, sister, mother, father, grandmother, grandfather, son, daughter, grandson, granddaughter or first cousin does not create in such person a “financial stake in any gaming operated under this Ordinance;”

Members, including the Chairman, may be removed for cause, including malfeasance, neglect of duty, unexcused failure to attend two successive Commission meetings, conviction of a felony, or failure to comply with the Constitution or laws of the Band.

(a) Right to a hearing. Any Commissioner being considered for removal shall

be provided with notice from the Chairman or Secretary of the Band stating the grounds for removal, specifying a date, time, and place for a hearing to be held by the Council within 20 days of receipt of such notice. At the hearing, the Commissioner shall be entitled to appear, present testimony and other evidence, and be represented by an attorney at the Commissioner's own expense.

(b) Vacancies. Vacancies shall be filled by majority vote of the Council.

The Commission shall meet as scheduled to fulfill its duties and obligations under this Ordinance, but in no event less frequently than once per month. Meetings may be called by the Chairman, or by any two members of the Commission, upon at least three days written notice to all members. If the Chairman or any two members certify in writing that a meeting must be held on less than three days notice, a meeting may be held as necessary, provided that best efforts must be made to provide the Chairman and all members with as much advance notice of such meeting as possible. Three members, or two members and the Chairman, shall constitute a quorum for the transaction of business. The vote of a majority of the members present at a meeting at which a quorum is present shall be the act of the Commission.

Section 309 Monthly reports

The Commission shall make a report to the Council at least once each month, or more as requested. Each report shall include a summary of all licensing and enforcement activities, a summary of meeting and travel activities and dates, and any additional information requested by the Band Council. These reports shall not contain any confidential information unless specifically direct by the Council. Compensation of Commission members may be withheld in the event reports are unreasonably delayed.

Section 310 Hearing examiner

Notwithstanding any other provision of this Ordinance, upon the Commission's own motion

or the motion of any party, any hearing authorized to be held by the Commission may be assigned to a hearing examiner. The hearing examiner shall be impartial, and shall be a licensed attorney. The hearing examiner shall conduct hearings assigned in accordance with the provisions of the applicable sections of this Ordinance, and shall issue written proposed findings of fact and conclusions of law within 30 days of such hearing. Any party may file with the Commission, within 15 days of notice of the hearing examiner's recommended findings, exceptions or objections to those findings.

Section 311 Notice of Commission decisions

The Commission shall provide written notice to any applicant and any other interested party of any decision or order. Notice shall be by personal service, or certified mail, to the person's last known address, or to such person's registered agent or attorney.

Section 312 Appeals

(a) An applicant for a license, or any other aggrieved party, may appeal from any final order or decision of the Band Gaming Commission by filing a notice of appeal with the Band Gaming Commission and Tribal Court within 30 days of receipt of notice of the final order or decision.

(b) If a motion for reconsideration of a Band Gaming Commission final order or decision is filed with the Commission within 20 days of issuance of such order, the time for appeal shall not begin to run until the motion for reconsideration is ruled upon by the Commission.

(c) The Commission shall certify the hearing record within 30 days of receipt of a notice of appeal.

(d) Review by the Tribal Court shall be based on the record. A decision or order of the Commission shall be affirmed unless arbitrary and capricious, or contrary to law.

(e) The Tribal Court shall have no jurisdiction to award money damages against the Commission or any member of the Commission for any action appealed under this section.

(f) The Tribal Court shall require parties to exhaust administrative remedies provided by this Ordinance prior to judicial review, absent an express finding of futility or other good cause to the contrary.

Section 313 Gaming Inspectors

(a) The Band shall employ tribal gaming inspectors who shall have primary responsibility for monitoring ongoing Class II and Class III gaming operations authorized by this Ordinance.

(b) Band gaming inspectors may be full time tribal employees and shall be subject to Band personnel policies and procedures. The Chairman of the Commission shall supervise the Band gaming inspectors with respect to compliance with personnel policies and procedures. The budget for the Commission shall include the costs associated with Band gaming inspectors.

(c) Band gaming inspectors shall report any violations of this Ordinance, the Act, or the Michigan Compact to the Band Gaming Commission.

Section 314 Sovereign Immunity

Nothing in this Ordinance shall be construed to waive the immunity from suit of the Band or the Band Gaming Commission; provided that judicial review of actions of the Band Gaming Commission shall be available as set forth in this Ordinance. In no event shall this Ordinance be construed as consent to any money judgment, lien or attachment of any property of the Band or Commission. No money damages shall be awarded against a Commission member or other Band official acting in good faith within the scope of their official duties under this Ordinance.

Chapter 4: Compliance with federal law

Section 401 Applicability

All gaming on the Reservation shall be conducted according to the provisions of this Ordinance and in compliance with the Indian Gaming Regulatory Act, and the National Indian Gaming Commission's Minimum Internal Controls.

Section 402 Sole proprietary interest

In compliance with 25 U.S.C. § 2710(b)(2)(A), the Band or a Band subdivision shall have the sole proprietary interest and responsibility for the conduct of any gaming activity on the Reservation. Ownership of any Class II or Class III game by any other entity or individual is prohibited.

Section 403 Use of revenues

In compliance with 25 U.S.C. § 2710(b)(2)(B), net revenues from any gaming activity are not to be used for any purposes other than:

- (a) to fund tribal government operations or programs;
- (b) to provide for the general welfare of the Indian Band and its members;

Section 404 Audits

In compliance with 25 U.S.C. § 2710(b)(2)(C) and (D), all gaming activities shall be subject to an audit by independent certified accountants, not less than annually. The audit shall include all contracts for supplies, services or concessions for a contract amount in excess of \$25,000 annually (except contracts for professional legal or accounting services) relating to Class II or Class III gaming. The audit shall be arranged by the licensee conducting the gaming, who shall provide a copy of the audit to the Commission upon completion. The Commission shall thereafter forward the audit report to the Tribal Council and the National Indian Gaming Commission.

Section 405 Environmental and public health and safety standards

In compliance with 25 U.S.C. § 2710(b)(2)(E), the construction and maintenance of any gaming facility, and the operation of gaming activities, shall be conducted in a manner which adequately protects the environment and the public health and safety, and for that purpose shall comply with all applicable health, safety and environmental standards enacted by the Band. Those standards generally imposed by the laws and regulations of the State of Michigan relating to public facilities with regard to building, sanitary, and health standards and fire safety shall be deemed to be incorporated by this Ordinance as the laws of the Band applicable to gaming facilities of the Band, provided however that such state laws have no force or effect on the Reservation other than by incorporation into this Ordinance, and provided further that if an approved management agreement stipulates that national building, electric and fire codes apply, then those standards shall be used.

Chapter 5. Facility Licensing

Section 501 Facility Licenses for gaming activities

The Commission shall issue a license for each place, facility, or location where gaming is conducted. For each location licensed, the Band through its primary management official of its gaming operation must file a sworn application that contains a full and complete showing of the following:

(a) Agreement by the applicant to accept and abide by all applicable provisions of this Ordinance and all conditions of the tribal license.

(c) Satisfactory proof that notice of the application has been posted in a prominent, noticeable place in the Tribal Office and on the premises where the game is to be held for at least 30 days prior to consideration by the Commission, and published at least twice in a local newspaper serving the Reservation. The notice shall state the date, time and place when the application shall be considered by the Tribal Gaming Commission.

Section 502 Hearing on application for a license

(a) All applications for a gaming license shall be considered by the Gaming Commission in open session at which the applicant, his attorney and any person protesting the application shall have the right to be present, and to offer sworn oral or documentary evidence relevant to the application. After the hearing, the Commission shall determine whether to grant or deny the application, based on the Commission's determination of the best interests of the Band. The decision of the Gaming Commission shall be final.

(b) Existing licensees shall have no vested right to have their licenses renewed or extended, and compliance with this Ordinance does not guarantee an existing licensee a renewal or extension. In each case, the Commission shall, in the exercise of its discretion, make its determination based on all the evidence presented to it, provided that, with respect to Class III gaming operated under a management contract, the Commission shall not revise or fail to renew a

license except on grounds permissible under such management contract.

Section 503 Conditions of the tribal license

The facility license issued under this Ordinance shall be subject to such reasonable conditions as the Gaming Commission shall fix, including, but not limited to the following:

(a) The licensee shall at all times maintain an orderly, clean, and neat establishment, both inside and outside the licensed premises.
